The Senior Class
of
Powell Valley High School
Big Stone Gap, Virginia
presents
the Third Edition of the
VALHALLA

FOREWORD

Once again the hands of time have turned to complete a school year. Ninety-two seniors pause on the threshold of Powell Valley High School. This Third Edition of the VALHALLA seeks to capture some fleeting moments of the school year in order to make them permanent memories. Turn the pages to relive the events which made the year memorable. Relive the excitement of the football games. March down the street with the band. Feel the thrill of the basketball swishing through the net. Listen to the laughter of those decorating for the Prom. Follow the buzzing yellow buses to and from Powell Valley. Travel with us through the year. Linger a while; for it is to this end that this Third Edition of the VALHALLA is presented.

Powell Valley High School

Alma Mater

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
 our hearts will move
To bring you honor too.
So hail to thee, O noble school;
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

SENIOR CLASS HISTORY

We, the seniors of 1962, pause for a while to look back upon our four years in high school. When we came to Powell Valley, we were the sophomores. We already had had our first taste of high school the year before, our freshman year. We'll always remember that year of finally feeling as though we were a part of it all. We had our second time to adjust in our sophomore year. That year we realized that we were really choosing the courses we would be taking for the remainder of our time in high school. Our high school foundation had been fairly well established.

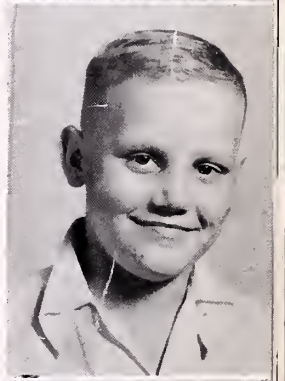

We also see our junior year and the events that took place. These formed some of our fondest memories of school. We sold magazines to raise money for our prom, *WONDERLAND BY NIGHT*, our biggest adventure in our junior year. We remember how the cafeteria looked on April 28 after all our planning and decorating. Yes, it was a very memorable year with the choosing of our rings and calling cards. Yet all did not end with the closing of school, for, long remembered will be the experiences gained by our representatives to Girls' and Boys' State.

After a carefree summer we came once more in August to school - - this time for our final year, our Senior year! Finally, it had come and we felt strange to be at the top of the ladder. On October 9 we became full-fledged seniors when our class rings, our symbol of seniorhood, came. We were offered the opportunity to take the Washington trip. This and memories of other things will always stay with us to remind us of our senior year. At the Prom this time we were the guests instead of the hostesses and hosts. The senior play with its night performance brought with it curtains opening, curtains closing, the relief, and the joy of completing a performance. The mere joy of being seniors and of taking part in senior subjects and plans was almost too much to grasp. Yet time moved on rapidly.

High School with all its varied activities, football, basketball, baseball, track, band, science fairs, assemblies - - all seemed to race past, too fast for us to hold it close enough.

Then came the bitter, sweet time only fully understood by those who have marched the trail to graduation. As we marched down the aisle to the strains of *Pomp and Circumstance*, our friends and parents saw our slight smile. Yet we also felt the sting of a tear or two. We marched proudly and held our heads high. When our hands finally touched our diplomas, we felt as if we had really accomplished something.

Time and the Class of 1962 marched on - - to face the world, college, work, and the future. We cannot pause too long for the hands of time move along. We only hope to be remembered for a brief time in the halls of Powell Valley High School, our Alma Mater

As the school year 1961-1962 draws to an end, we juniors look back on it with fond memories. We have just climbed the "next-to-the-last" rung in the ladder of our high school career. Having completed this important step, we can now recall all the events that have made this year so exciting as well as important for us.

Club activities played an important part in our year filled with tests, classes, fun, and much pleasure. January ushered in our magazine sales campaign which provided us money for our Junior-Senior Prom. Mr. Seale, our ring salesman, couldn't have made us happier.

The Pom and graduation made us realize that we are really one step away from the future — Seniorhood.

On November 2, 1959, one hundred and fifty-five, bright-eyed, energetic and perhaps a little frightened boys and girls entered Powell Valley High School as the first eighth grade class. The year passed quickly because our new school and new friends made unforgettable impressions. Our freshman year passed with flying colors; we were at last a real part of high school.

Now as sophomores we must take on more responsibilities. We have many problems which confront us as well as many disappointments. Even so, we realize that this is all a part of growing up and we must tackle each with spirit. We are gradually, with the help and encouragement of our sponsors and teachers, beginning to realize our aims and goals in life. We look to our future high school years with hope and determination.

This is the year we ninth graders have been looking forward to, although we had a slight fear of harder subjects and more responsibility. This year we felt much more a part of our school because now we aren't the youngest and, although we do not mean anything by it, we like to tease the eighth graders. The ninth grade is the beginning of a whole new phase of life with new experiences each and every day. We ninth graders have now set new goals at which we will work toward finishing high school and for some of us on to college. At this time when it is needed most, we sincerely thank our sponsors.

We'll never forget that day in August of 1961 when we began our first day of high school. Things were really different from grammar school. We were allowed to change classes and we had fewer subjects. We even had a regular study hall. However, we must admit that the building was large, and some of us were lost a few times. But as time progressed, we, as new high school boys and girls, felt we were becoming a part of school. There were many club activities, and many extra-curricular activities such as football in which we eagerly took part. All of this added much to school spirit.

Under the capable guidance of our teachers, we found that this first year of high school brought many new outlooks on life. Certainly we all agreed that we should be able to work and do our best in the beautiful, modern facilities of Powell Valley.

..TEMPUS.....

We started the school session of 1961-62 anxiously . . . Eager eighth graders came for their first year . . . we came for our last . . . The Viking football team formed again on a hot sweltering August 15 . . . A lot of work . . . many tired boys . . . apprehensive coaches . . . College Night at Norton and we heard college representatives . . . We renewed our pledge — to do our best in order to get to college . . . The first of October brought excitement and class rings . . . red, blue, and black . . . An exceptional football season caused more enthusiastic pep rallies . . . Once "spirit" died but he was soon revived . . . Frightened students, red noses, nearly frozen hands, and a cold, cold night was the scene of the Bristol Band Festival . . . The Pixies entertained for the judges and spectators . . . Band members returned with a trophy and sore throats . . . Halloween passed with witches and goblins on the rampage . . . The game of the season — the Vikings and the Bulldogs — clashed on the gridiron . . . This tune was played on November 3 by the mighty Vikings. The arrangement was twenty to six and a long-awaited victory . . . Most college applications were sent in hopefully . . . Turkey and cranberries mixed with Christmas music ushered in Thanksgiving . . . December was off down the court and swish — through the basket went a Viking series of games, CEEB tests at Wise . . . The Speech Club play, *Beat It, Beatnick* . . . The Glee Club had their annual caroling . . . Parties started the night school was out and Christmas was complete with snow and slick roads . . . Gifts and diamond rings floated in along with the snow . . . All was gay.

At the first of January we resolved to study harder for the next two weeks . . . EXAMS . . . Maybe some did but there was still a crop of unlucky ones . . . Snow brought a reprieve of one day from exams but in order to catch up we went to our last exam on Saturday . . . The snow of January turned to rain for February and the mud was squishy everywhere . . . The Sweetheart Dance sponsored by the Key Club celebrated Valentine's Day . . . Exciting news over the intercom . . . a portion of history . . . February 20 and around the world we went with Cal. Glenn for the first manned American orbital shot . . . The Third Annual Science Fair was held February 23-26 . . . Space was the theme . . . Swish, swish, and the basketball team galloped forcefully into the tournament . . . Calling cards were distributed . . . To get the annual to press in time, a flurry of activity . . . especially by the sponsors . . . The income was small but somehow the VALHALLA finally got to press . . . A sigh of relief . . . March roars in . . . **Proof Of A Man** was our one-act play entry . . . Farsenic Meet was held at Appalachia . . . Harns were also tuned in the auditorium for the Regionals . . . Senior Play was presented in Mid-April . . . Glee Club Spring Concert sent us on our third vacation . . . Easter brought with it the second Washington trip . . . A never-to-be-forgotten time . . . A small group . . . Pram in the gym . . . gay, but without high heels . . . May Day and flowers . . . Announcements and gifts . . . Annual Spring Concert for the band . . . VALHALLA returns to us . . . Exams came for the unlucky . . . May 21 and graduation . . . Summer and farewells . . .

The arrival of the present school year also marked the beginning of a new version of the Powell Valley High School Viking Band under the capable direction of Mrs. S. H. McChesney. The first whistle toot came from our drum major, Dickey Stone, and seventy-two eager band students fell in line. The second whistle toot marked the beginning of the long drawn-out drill season. The members drilled end-less hours. Mr. Sam McChesney, our very capable drill master, put in hours of his time to shape the Viking Band.

The Viking Band appeared at the football games and participated in the Southeastern Band Festival where they won a Division II trophy. The band also participated in the District Regionals held this year in Marion. The band was also represented in the All-State West Concert held at Appalachia and in the All-District Concert at Norton.

The band members realize that all their successes are due to the untiring efforts of Mr. and Mrs. McChesney, known to us as our Mr. and Mrs. "Mac". Mr. "Mac" planned and drew out our drills while Mrs. "Mac" taught us endless hours of music. To them we doff our tasseled caps.

The "Pixies", a girls' drill team organized since January, 1960, is a very industrious group. It is composed of girls from all years of high school, with a majority being eighth and ninth graders.

Since this was the first year for the "Pixies" to march with the band, we were very excited about each event. The "Pixies" marched with the band at all the football games and went to Bristol for the Eleventh Annual Band Festival. In addition to marching for the Shriners' Parade, we also marched in the Labor Day Parade at St. Paul. After being delayed for two weeks, we marched in the Christmas parade and danced to the music of "Here Comes Santa Claus" and "Jingle Bells."

Undoubtedly none of this could have been achieved without the patience, love, and kindness of Mr. and Mrs. S. H. McChesney, and the music provided by the Viking Band for our performances.

Colled meeting—plans made for party

Nearly any morning at activity period the blending voices of boys and girls can be heard in the south end of the hall of our school. Under the excellent direction of Mr. Gibbs, the Glee Club of 1961-1962 has received much praise throughout the district. The seventy-two members have performed their annual Christmas caroling at Big Stone Gap Elementary, East Stone Gap Elementary, and Powell Valley High School. Later in the season we entertained the Kiwanis Club and held an assembly program at Powell Valley High School. The Glee Club certainly looks back on their performances with pride and look forward to many more successful years.

The Library Club consists of twenty-two members who maintain an average scholastic standing. The purpose of the club is to encourage the students to read and enjoy reading.

The Library Club has entertained the student body in two assembly programs, once during National Library Week and again during National Book Week. We have also entertained the Pawell Valley teachers at a faculty party.

Other plans included a trip to the Wise County Public Library as well as the Clinch Valley College Library.

We wish to extend our sincerest thanks and appreciation to our wonderful and patient sponsor, Miss Billie Jean Scott.

Key Club Sweetheart-Sania Black

The Key Club International is a club dedicated to developing initiative, leadership, promoting good will, preparing young men for useful citizenship, and serving the school and community.

These are the objectives of the Key Club of Powell Valley High School. In our years of organization the Kiwanis Club International, our sponsor, has stood by us in our troubles and glories.

The members of the Key Club maintain a high scholastic average and are in the tenth, eleventh, and twelfth grades.

Although we are a small club, we have served in such activities as collecting and delivering food, clothing, and toys at Christmas time for the Kiwanis Club; raising money for the March of Dimes; lining the football field during football season and directing traffic for basketball games; and helping with the traffic at the District teachers' meeting.

As money-making projects, we have sold candy and held record hops, for which we are grateful to Mrs. Berney, Mrs. Jackson, and Mrs. Botts for chaperoning. As a school sponsor we are privileged to have Mr. Rucker Skeen. From the Kiwanis Club we are fortunate to have Mr. Bill Akers, Mr. Bob Womack, and Dr. B. E. Polly, Jr. who give of their time to help us. We feel it is these men and women that have made our year as successful as it has been.

Latin Party with
new members

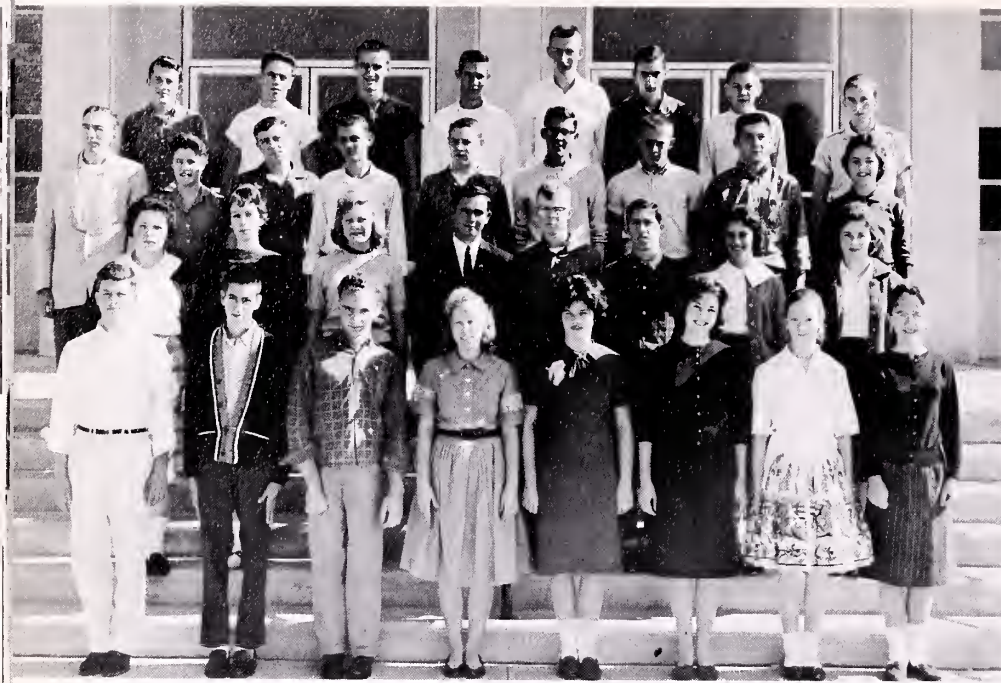

The Roman Club of Powell Valley High School is a club composed of fifty-five members taking first and second year Latin, who are dedicated to studying the purpose of learning more about the great civilization of the ancient world. In learning about these civilizations, we can get a better understanding of how our government, customs, and language were derived. In studying the Roman language, we can better adjust ourselves to study for the coming years. We can proudly say that we are a chapter of the Junior Classical League.

The Junior Classical League is a national organization of classical clubs in the high schools of the United States. Its job is to interest the students in the culture, arts, customs, and civilizations of long destroyed empires.

As in most clubs, the time of initiation is regarded with pure delight. The Latin II members get the opportunity to pass on to the first year students the fun and frolic of being initiated. The Latin I students dress in a strange fashion, consisting of mixed-up hair-das, different socks and shoes, and many other amusing combinations. On the day of initiation a party is given and members look back on it as one of the happiest of their school days. At the party the Latin II students receive J. C. L. pins to show that they have practically finished their two years of Latin.

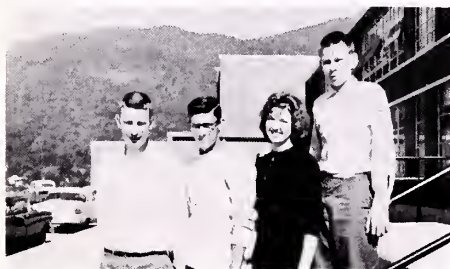

We wish to extend our thanks to our sponsors, Miss Lora Dingus and Mrs. Grace Rose, for their guidance. It is to people like them that we give credit for making the ancient civilizations live once again.

The French Club is composed of students taking French I and II. Early in the year we elected officers, and a few weeks later the second year students initiated the first year students.

The purposes of the French Club are to serve as a social function for the members of the organization by the presentation of various programs which illustrate the beauty and color of the language and ways of life of the French people and to gain a greater understanding and appreciation of the French language and customs of the French people.

We presented "Beat It, Beatnik."

Americanism participants

The Speech Club got off to a good start this year with an assembly program in September. Several of us gave parts from famous patriotic speeches and poems. It was a good experience for us, but we found that we had much to learn and were eager to begin.

We gave our first one-act play called "Beat It, Beatnik" before Christmas. We had a lot of fun getting it together and we also learned a lot about play production. With the money made, we plan to order club pins.

In the spring we plan to put on another one-act play and also enter the forensic contests.

Our very capable sponsor and teacher, Mrs. Grace Rose, is full of ideas for new and interesting things for us to do. To her we give our thanks for making this an enjoyable, as well as profitable, year.

Most everyone likes to draw a picture. For those people who have the real desire to draw, we have a club for them. It is the Powell Valley High School Art Club.

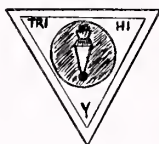

Art was a new adventure to most of us because we had never taken this new and interesting subject before. Our first project was to draw and color birds. We have progressed greatly and will progress even farther with new and more difficult projects. Doors are forever open to those with a desire to create. We are grateful to our sponsor, Miss Willis, for her help and guidance.

This year our HI-Y Club consists of fifty-four members. We have attempted to put into practice our purpose, "To create, maintain, and extend throughout the home, school, and community high ideals of Christian character." Our platform is "Clean speech, clean sportsmanship, clean scholarship, and clean living."

The purpose also of the HI-Y Club is to perform many useful projects in our school and community. We attended workshops and the district conference in addition to our projects in our own school.

We hope that through the guidance of Miss Cox and Mrs. Brooks, our sponsors, the Lonesome Pine HI-Y Club will continue as an active service organization of our school and community throughout the coming year.

Vocational Office Training is a co-operative part-time work program for Senior students. Vocational Office Training prepares a student for a business career and enables them to operate various office machines. The students attend school in the morning and go to work in the afternoon, if they have a job.

V. O. T., as this course is called, offers two credits for the students who work, and one credit for the students who do not work.

The two units for V. O. T. include filing and machines. Filing gives the student experience in indexing, filing, and arranging papers as in business procedures. The students master such machines as the electric typewriter, the bookkeeping machine, calculators, dictating-transcribing machine, and the duplicator. After we have mastered the filing unit and machine unit, we are prepared for a position in a business office.

Our creed is:

I believe in 4-H Club work for the opportunity it will give me to become a useful citizen.

I believe in the training of my HEAD for the power it will give me to think, to plan, and to reason.

I believe in the training of my HEART for the nobleness it will give me to become kind, sympathetic, and true.

I believe in the training of my HANDS for the dignity it will give me to be useful, helpful, and skillful.

I believe in the training of my HEALTH for the strength it will give me to enjoy life, to resist disease, and to work efficiently.

I believe in my country, my state, my community, and in my responsibility for their development.

In all these things I believe, and I am willing to dedicate my efforts to their fulfillment.

The Girls' Athletic Association consists of girls who must maintain a satisfactory standard in all school subjects. The main purpose of the G. A. A. is to promote physical fitness.

Membership is acquired when the girls reach a goal of 100 points. Points are gained by taking part in sports such as swimming, hiking, tennis, badminton, hockey, basketball, softball, and skating.

Even though this is a newly organized club, all the girls have set an outstanding example as the result of being a member of it.

Two of our goals are physical fitness and, of course, good sportsmanship. We hope we may be more beneficial to our school in the future.

Varsity Club

The Varsity Club consists of those who have lettered in interscholastic sports or who have been team managers or cheerleaders. A Varsity Club member must undergo many hours of practice and must attain a high scholastic average.

For a boy to letter in football, he must play 20 quarters. If he is a senior, he is required to have played at least 5 quarters. To letter in basketball a boy must play 36 quarters.

To be a Varsity Club member is certainly a high place of honor to attain.

The Powell Valley Vikings, after only three years of consolidation, have built one of the greatest spirits of unity, devotion, and pride in their school, causing their standing to move from fifth to second place in the newly formed Lonesome Pine District. The Vikings, under the experienced leadership of Head Coach Burchell Stallard and Backfield Coach Cecil Maddux, ended an almost perfect season with eight wins and two ties.

The Vikings worked diligently to win and to play good ball. In three short years they have won a name for themselves in the District and give great promise of future teams.

The Vikings placed four players on the All-District teams: Gary Potter, left end, second team offensive and defensive; C. M. Boggs, right tackle, first team offensive and second team defensive; Jack Lane, left half, second team defensive; James Bolling, right half, first team offensive and second team defensive. All-State honors went to James Bolling, right half, second team offensive, and to C. M. Boggs, right tackle, winning an honorable mention.

The District championship, an established goal for the Vikings, can only be achieved by greater team effort and by the support from the student body.

Each year when the Varsity Vikings take to the field for practice they overshadow the Junior Varsity players who work as diligently and practice as enthusiastically as the Varsity team. The Junior Varsity team might be considered the training ground for future Viking stars. They are gaining valuable experience that will aid them to step into the shoes of the Varsity players who will be leaving our team. Giving daily guidance during this season was Coach Robinette who led his team through a successful season.

**Lonesome Pine District Tournament

Left to Right—Row 1: Dickie Taylor, Francis Williams, Louis Collier, Jimmy Groham, Sam Hall. Row 2: C. M. Boggs, Gory Potter, Jimmy Galloway, Bruce Shull, Jock Groham.

The 1961-1962 edition of the Viking basketball squad was one of experience and talent. With four returning lettermen, the Vikings were in fine shape for a good season. Out to better last season's record the boys really worked hard. In the beginning of the season the Vikings had a little trouble, but as the season progressed, so did the team. During the Christmas vacation the Vikings traveled to Coeburn for the Wise County Basketball Tournament. Although defeated in the semi-finals, the Vikings played brilliantly throughout the tournament. The Vikings continued doing well and played in the semi-finals of the Lonesome Pine District Tournament but were defeated. The starting lineup was usually selected from the following. Jim Graham, Jack Graham, Sam Hall, Gary Potter, Bruce Shull, and Jim Golloway.

Left to Right—Row 1: Earl Kelly, Kenneth Carty, Charles Carty, Terry Simmons, Joe Toney, Hallie Smith. Row 2: Lee Lane, Johnny Black, Charles Vanhook, Pete Kilbourne, Eddie McKinney, Danald Skeen, Tony Neeley, Winston Witt.

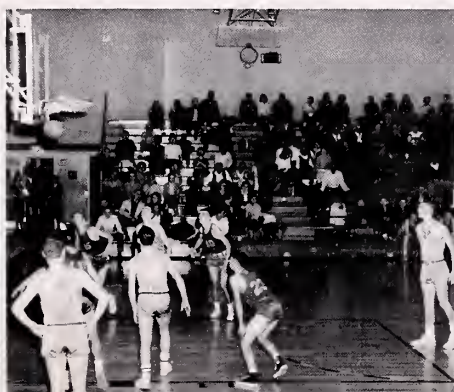

The Vikings playing Junior Varsity basketball had an exceptional season this year with thirteen wins and only four losses. The team and Coach Stallard collaborated to make this a successful season.

To be eligible for the Junior Varsity squad, a boy must have passed at least three subjects prior to the semester in which he is to play and must be in the eighth, ninth, or tenth grade. In the coming years these boys will go on to the Varsity team.

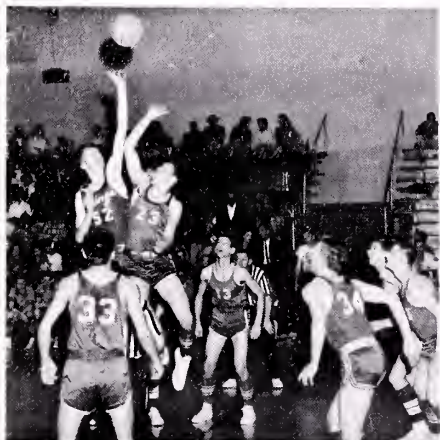

The usual starting lineup consisted of Johnny Black, Hollie Smith, Joe Toney, Eddie McKinney, and Pete Kilbourne.

Track and Baseball Teams

This year we introduce a new entry in the VALHALLA, the track and baseball teams. The track team was started the first year at Powell Valley by Cooch Moddus and has had several meets since then. Track is one of the two spring sports which has grown in interest over the years. It not only presents the promise of a highly competitive sport but gives a good means of exercise and "limbering up" for the winter sports.

Track is one of the best sports offered in the school for building breathing control and muscle tone. It offers running and fine conditioning in field events. This year we have much interest in track again.

The baseball team under Cooch Stollard started their spring training this year with a fine group of spirited young boys. They worked very hard to mold themselves into a fine-working baseball team. This sport, growing in popularity because of the fine showing of the Vikings, is becoming a highly interesting sport at Powell Valley.

We are very proud of this Viking team and their work which won them the title of Co-Champions of 1961.
